Agenda

- Vincent Chirasello, *FAA Flight Standards Training Division, AFS-500*
- Randa Hayes, *Flight Program Operations, AJW-3*
- Other?*

FAA Flight Standards Training Division

Vincent Chirasello

Division Manager, AFS-500

Flight Standards Training Division

Introduction

- Who We Are

- Current State

- Goals

Potential COE SOAR Research Tasks

FAA Flight Standards Training Division

Potential COE SOAR Research Tasks

- 1) Best Practice for Best Value Training Provider(s) Evaluation
- 2) Adaptive Testing
- 3) Course Development and Delivery
- 4) Employee Footprint
- 5) Adaptive Content
- 6) Managing Training Content
- 7) Transfer of Information

FAA Flight Program Operations

Ms. Randa Hayes

Senior Technical Advisor

Flight Program Operations, AJW-3

Introduction

- Who We Are

- Current State

- Goals

Potential COE SOAR Research Tasks

FAA Flight Program Operations

Potential COE SOAR Research Tasks

- 1) FAA Flight Program Fleet Study/Mission Needs Assessment
- 2) Flight Inspection UAS Feasibility Study/Training Needs Assessment
- 3) 141 Pilot School Feasibility Study for Aviation Safety Training Mission
- 4) FAA Flight Program Safety Culture Assessment

Other Potential COE SOAR Research Tasks
