

COE TTHP 5th Annual Virtual Administrative Meeting

Student Engagement Plan

Prof. Caroline Ocasio

**Center of Excellence for
Technical Training &
Human Performance**

Project Purpose

To develop a series of initiatives for students by creating new opportunities for **personal** and **professional** development during this period of COVID-19

Project Goals

To engage students in activities
sponsored by the COE TTHP

Webinars

Professional Development Topics

- Opportunities for internships / shadowing:
 - Skills needed
 - How to build a resume
 - Experience
- Job Opportunities
 - Where are the jobs?
 - Can I get a job now?
- Difference between working for government and the private industry

Webinars

Industry Concerns

- Are there job openings under the current environment?
- Is there a need for specialized areas of study currently, or in the near future?
- Is a pilot shortage real at this time?
- Companies downsizing: how will it affect me?

Student Poster Competition

- Identify topics of interest for the COE TTHP
- Open competition to all students
- Create different categories
- Reward creativity, scientific findings, new ideas
- Offer incentives such as:
 - Scholarship money
 - Participation of conferences (all expenses paid)
 - Publication of their posters, etc.
- Work with industry partners to provide resources and expertise

Mentorship

- Development of a mentorship program for research and educational purposes
- Creation of a professional talent pool (SME) to match students with, so they can benefit of career and technical guidance

The background is a vibrant orange-red color, densely packed with numerous speech bubbles of various sizes and colors (yellow, green, blue, pink, light blue). Each bubble contains a question mark, with the question mark color matching the bubble's background color. A central, semi-transparent light blue rectangular box is overlaid on the pattern.
